Riot iOS

[You can also access Matrix on your iOS phone via Riot iOS.](https://matrix.org/docs/projects/client/riot-ios.html)

Riot Android

[Riot is also available on Android devices!](https://matrix.org/docs/projects/client/riot-android.html)

This page aims to collect all known Matrix projects - if you want to add a new one (or update an existing one), you can submit a PR to the [matrix-doc](https://github.com/matrix-org/matrix-doc) project on github - the existing projects can be found [here](https://github.com/matrix-org/matrix-doc/tree/master/supporting-docs/projects) - or just let us know in the #matrix:matrix.org room.

Projects using Matrix:

- [Clients](https://matrix.org/docs/projects/try-matrix-now.html#clients)

- [Servers](https://matrix.org/docs/projects/try-matrix-now.html#servers)
- [Application Services](https://matrix.org/docs/projects/try-matrix-now.html#application-services)
- [Client SDKs](https://matrix.org/docs/projects/try-matrix-now.html#client-sdks)
- [Other](https://matrix.org/docs/projects/try-matrix-now.html#other)
